Dear Chairwoman Granger and Ranking Member DeLauro:

I respectfully request funding for the Village of Millerton's Wastewater System Project. The entity to receive funding for this project is the Village of Millerton located at 5933 North Elm Ave. Millerton, NY, 12546. The Village of Millerton is undertaking this project to construct a new wastewater system and to sustain its requirements under the Clean Water Act by addressing its failing wastewater system. This is an appropriate use of taxpayer funds because it helps to maintain Clean Water Act standards.

The project has a federal nexus because the funding provided is for purposes authorized by the Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Patrick K. Ryan
Member of Congress
